

FRIENDS OF AVISFORD MEDICAL GROUP

SUPPORTING YOUR SURGERY

CHARITY NUMBER: 1074882

50/50 CLUB

Thank you for showing an interest in our 50/50 Club. The club will raise funds to buy much needed equipment, hold free health talks and promote the health & well-being within our local community.

Enclosed is a copy of the rules, an Application form and a Standing Order Mandate if you wish to use this facility. Unfortunately, we are unable to accept cash.

If you use the Standing Order Mandate this should be sent direct to your bank. Please find enclosed a stamped addressed envelope for you to forward your completed Application Form and cheque, if paying by cheque, to Middleton Surgery.

Once we have your application form, we will issue you with a number/s and these will be entered in the draw towards the end of each month. In order to qualify for a draw your application must be in before the first of the next month.

Each number costs £5 a month (you can have more than one). The draw will take place in Middleton or Yapton surgery on alternate months. When we send your draw ticket we will also enclose the dates of all the draws for 2020.

There will be only one prize each month and this will be 50% of the month's takings. The lucky winner will receive a cheque either by hand or in the post. The winning ticket number (your name will not be given) and the prize amount will be displayed on our notice boards and website

Good Luck!
